President Corrigan greeted all and stated the purpose for a Public Hearing was to give the Public an opportunity to meet with the Commission for questions or comments regarding the proposed FY17-18 appropriation.

The President asked the Executive Director to comment on the state of the State budget.

Executive Director Rosas informed that the Commission was mindful of the state's budget constraints however it continued to support its agencies with the resources it has. He further noted the reduction of the levy of the previous year and the estimated 12% of uncollected tax monies at June 30th. The proposed FY17-18 Appropriation is approximately 3.3% less than the current fiscal year appropriation.

There being no questions or comments from the Public, the President invited Commissioners to speak. There being no other questions or comments, and with the approval of Attorney Fese regarding the meeting's duration time, President Corrigan motioned to adjourn at 6:27 pm.
